Dear Ms. Bacon:

This letter is in response to your correspondence dated August 5, 2003 regarding the Amended April Quarterly Report (1/1/03 - 3/31/03) received by you on July 24, 2003.

After further review of the reports containing information for the present election cycle it has been determined that the report needing to be amended was the Year-End Report for the period November 26, 2002 through December 31, 2002. Once the threshold dates were changed to reflect the new election cycle, the figures were brought back into balance. The Year-End report was sent electronically on August 21, 2003 and accepted by the FEC with a confirmation number of PFC-94338.

I really appreciate your working with us over these last few months while we were experiencing problems with our Aristotle software. It was helpful to know that when we called that you were there to assist us and I thank you for your time and patience. Should you require any additional information, please feel free to contact us. Thank you again.

Sincerely,

  
Craig A. Stanley  
Treasurer
